Il marchio della gestione forestale responsabile

Produkty řady Madre Terra splňují označení OK Compost (dle Evropského standardu 13432: 2000), které garantuje biologickou rozložitelnost a kompostovatelnost v průmyslové kompostárně.

Označení pro styk s potravinami za sucha i za mokra.

PLUS

Od designu interérů k exteriérům.

Zkloubení tvořivosti, umění a designu spojené s citlivou analýzou vnímání barev, hmatovým vjemem a vědomostí řemeslně-průmyslových. To vše dohromady tvoří ikonografické, eklektické a nevídané stolování.

Speciální «čekající na patent» ražba posouvá hmatové vnímání ubrusů a příborových kapsiček na novou úroveň.

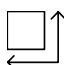

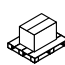

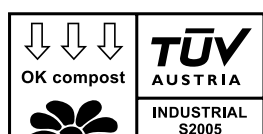

Výrobní proces ubrusů i příborových kapsiček je zcela "bez plastů" a proto je ekologicky přívětivý a udržitelný i při zachování vysoké kvality produktu.

Praktické "Hygienické kapsičky" se starají o maximální hygienu ubrousků a zároveň urychlují proces zakládání příborů.
